

Stygiomysida Literature, October 20, 2008

Below is a list of citations relating to Stygiomysida, prepared on the date above. The list has been compiled from the interactive database available at <http://peracarida.usm.edu/>; many of these references are annotated there. This list may be cited as:

Anderson, G. 2008. Stygiomysida Literature October 20, 2008. <http://peracarida.usm.edu/StygiomysidaLit.pdf>.

Efforts underway relating to this project are directed toward verification, correction, and annotation of the items in this list and the interactive database. If you are aware of corrections or additional items that should be included, please bring them to my attention. Also, I would appreciate being added to your reprint distribution list. Thank you in advance.

Best wishes,

Gary Anderson
